

## Basic Questions for Title IX Interviews:

- What happened?
- When did it happen?
- Where did it happen?
- Was anyone else present? If so, who and for how long?
- Have you spoken to anyone else in the school about this? If so, to whom and when?
- Have you spoken to anyone else at all? If so, to whom and when?
- Have you provided a written statement to anyone? If so, do you have a copy?
- Have you posted anything about this online, including on Instagram, snapchat, Facebook or other social media?
- Have you created or kept any notes, diary entries, or other written records that have anything to do with the allegation?
- Do you know of any other students who may have a similar complaint or concern?
- How do you know the accused individual?
- Have you had any interactions with the accused, apart from those being discussed today?
- Did the accused use or threaten to use force?
- Were either you or the accused drinking alcohol or using other drugs?
- How have you been affected by this, and what have you done about it?
- What action or remedy from the school district do you seek by bringing this complaint?
- If appropriate, why have you delayed reporting?
- What else would you want me to know about this incident?
